

## Request for University Thesis Licence of HAWASSI software

Please fill out and undersign this form; then after printing, signing and scanning to pdf, submit it electronically (upload) or by email.

Your request will be processed and you will receive an answer by email.

If the licence that will activate the downloaded software is granted, it will be sent to the thesis student by email.

Please take good notice of the 'Terms of Use, Copyright and Non-liability statement' under item 3, and the required signatures in item 4.

### 1. ACADEMIC DETAILS

Details of the university /department where the thesis project will be executed, names of supervisor and thesis student, and brief information about the project

**Name of University:** .....

**Department** .....

**Address:** street, number .....

City & postal code .....

(Province, State &) Country: .....

**Supervisor: Name** .....

**Position at university:** .....

**Email** .....

**Thesis student: Name** .....

**Project for academic degree:** .....

**Email** .....

**Title of Thesis project:** .....

**Short description of project** (describe research question and role of HAWASSI software)

### 2. DETAILS OF REQUESTED LICENCE

**Name of the HAWASSI software (VBM or AB) :** .....

**The period of validity of the licence** will be one year; it can be extended if the finishing of the thesis project requires this by filling out the [continuation-request form](#).

### 3. TERMS OF USE, COPYRIGHT AND NON-LIABILITY STATEMENT

**By downloading and using the software you agree that**

- The software will be used for no other purpose than to execute the final project as described above
- The software will not be made available to any other people than the student who executes the final project
- You will refer to the software as ‘**HAWASSI-VBM**’ or ‘**HAWASSI-AB**’, depending on the code used, in any presentation or written publication for results of simulations with the software, in the way as is common in scientific quotation
- A soft-copy of the thesis will be sent after finishing the thesis to [licence@hawassi.labmath-indonesia.org](mailto:licence@hawassi.labmath-indonesia.org)

© **Copyright of HAWASSI software** is with LabMath-Indonesia, an independent research institute under the Foundation Yayasan AB in Bandung, Indonesia.

The software has been developed over the past years in collaboration with the University of Twente, Netherlands, with additional financial support of Netherlands Technology Foundation STW and Royal Netherlands Academy of Arts and Sciences KNAW.

**By downloading and using the software you agree that** Yayasan AB is not liable for any loss or damage arising out of the use of the Software. Although much care is taken to arrive at trustful results of simulations with HAWASSI, Yayasan AB cannot be held responsible for any result of simulations obtained with the software, or consequential actions or calculations that are based on the results. , e.g. because of possible bugs, wrong use of the software, or other causes.

### 4. UNDERSIGNMENTS

**Signed for agreement with the Terms of Use and the Non-liability statement:**

**Supervisor:** .....  
(signature) (name) (date) (place)

**Thesis student:** .....  
(signature) (name) (date) (place)
